VGVA Constitution Review

Over the past decade, VGVA has experienced significant growth and changes to some key positions in our organization. Our current Constitution - the official set of rules and regulations that determine how we govern ourselves - was registered by the Province in 1994. Given the changes we have undergone, a review of the Constitution was felt to be a necessary project for the 2006/07 Executive Board, as presented at the 2006 Annual General Meeting.

The first step in the Review will be to request confirmation and clarification on a number of questions regarding the way in which we conduct ourselves, newly created Executive Board positions and several other questions the Board has identified. **Prior to sending a letter to our lawyers, Smith and Hughes, we are interested in hearing from the membership to find out if there are any other questions you would like to have included.**

The list of questions can be accessed at VGVA.com. Please direct all questions and suggestions to Jim Charlebois, Vice Chair at jim@vgva.com by Saturday January 27, 2007.

The response from Smith and Hughes will be posted on our website for you to review prior to the Executive proceeding with the next step in the process.
